"It has been a very safe space for me to say how I am feeling and how it is impacting my life"

"It's helped me see my worth... helping me bond with my family better"

"Without this service... we would have simply ended up in court and at war with one another"

"...helped create stability again and worked with us to solve very big issues"

"I always look forward to our sessions.... A year ago, I never believed we'd be where we are now"

"Me and my wife talk more now rather than argue"
